### ***NATIONAL NIGHT OUT 2014***

The City of Renton's National Night Out event was held at Kenneydale Lions Park this year and it was a huge success! Many thanks to all the City employees, volunteers, and celebrants for contributing to the fun and chaos – it was awesome! With over 1,200 people attending, it made it one of our largest NNO's events yet! It's always a pleasure to see families walking from adjacent neighborhoods, and now that this has become an established event, we see folks commuting from other parts of town as well –which is wonderful. National Night Out is held on the first Tuesday of every August and citizens are welcome to attend the large City event –or they can organize a neighborhood event of their own. I haven't decided where the large event will be held next year but I try to rotate it to different City parks each year so we're probably looking at holding it in the South end next year.

A Big thank you to NNO Corporate Sponsor:  
**TARGET.** Outstanding crew to work with!

Attendees were invited to check out the Valley SWAT team's Bearcat vehicle and were even allowed to climb around inside. Most of the comments consisted of: "It's so hot in here!" Keep in mind, when officers are inside these vehicles during an active incident, they are also wearing lots of gear and have several pieces of equipment on their person. You're right - it does get HOT!

A big thank you also goes out to our Community Services crew who provided attendees with scrumptious barbeque! Serving over 1,200 people is no easy task, but they all did it with a smile on their face (well. . . *almost* everybody. ☺)

Hundreds of children visited our fingerprint booth where they experienced getting their prints taken, which were then placed on a Child Identification Kit card that their parents could take home in the event they ever became lost or missing.
